Product highlights.

Quality and durability.

The robust screw extractor has a burnished finish, which gives the extractor additional corrosion resistance and tremendous wear protection.

Right-hand and left-hand threads.

The double cutting edge of the extraction tool for right-hand and left-hand threads provides improved grip and effectiveness in removing screws which are damaged, rusty or stuck.

Avoids damage.

Screw extractor no. 901: Extracting broken-off screws from threaded holes without causing damage is not a problem with the tool. Easy and practical to use and with top "Made in Germany" quality.

Convenient storage.

The extractor set is stored in a handy textile bag with a secure Velcro closure. The bag can be fully opened, providing convenient and quick access to any tool.
