

## Tool trolley

13217

Product no. **81091322**  
GTIN **4018754284481**  
Model **13217 TS IP67 WERKZEUG-TROLLY**

### Label.

Tool trolley jet black

### Features.

- extremely sturdy, tool trolley resilient to loads and made of polypropylene for professional use
- 5 easily removed lockable drawers with transparent covers, with endstops for the extendible rails, 3 different drawer heights
- drawers can be inserted in any order
- with one top cover and one front cover, both folding
- the top cover is fitted with napped foam to hold tools firmly in place
- one removable tray with 2 handles and 2 transparent drawer covers under the top cover
- drawers can be used as separate tool boxes using the transparent cover
- tool case and drawers can be individually marked
- 2 smooth-running twin wheels on the telescopic-handle side
- adaptable for vertical transport using 4 castors, R 13217 set of castors (please order separately)
- extendible telescopic handle facilitates transport
- 2 carrying handles at the sides
- resistant to skydrol, acetone, petrol and hydraulic fluids
- carrying capacity 60 kg
- 3 locking positions with padlock
- **also available as IP67 version (6 drawers, 4 x 30 mm, 2 x 60 mm)**
- **additional catches and seals protect against water and dust. Special valve for pressure relief**
- **also available with all-round high-visibility reflecting surface (5 drawers, 2 x 30 mm, 3 x 60 mm), for increased safety when working in dark surroundings**
- **individually tailored cases are available on request**

### Advantages.

Extremely robust and resilient tool trolley, deep black, in IP67 design made of polypropylene for professional use.

Additional fasteners and seals protect against water and dust. A special valve ensures pressure equalisation.

Practical. The drawers are individually removable and can be used as a separate toolbox with a transparent lid.

6 drawers, 4 x 30 mm, 2 x 60 mm, extendable telescopic handle for light transport, with 2 side-carrying handles.

Resistant to Skydrol, acetone, petrol and hydraulic oils, 60 kg load capacity.
