

Agrar on-board tool set

13253/38

Product no. **97830217**
GTIN **4018754337101**
Model **13253/38**

Label.

Agrar on-board tool set 13253/38 L.445mm B.110mm H.290mm 38 pcs.

Features.

- tool kit especially for the agricultural industry
- extra-large combination spanner in double version for more leverage, especially for loosening tight bolted connections
- optional supplementary set 96830278 available
- perfect dimensions for storage behind the driver's seat of tractors
- in fold-out textile bag

Contents 38 pieces:

7 combination spanners **No. 14**: 10; 13; 17; 19; 22; 24; 27 mm (2x each)
1 slotted screwdriver DRALL+ **No. 4622 6**: 2.5 X 14.0 X 250 mm
1 slotted screwdriver DRALL+ **No. 4620 4**: 1.2 X 6.5 X 150 mm
2 PHILLIPS® screwdrivers DRALL+ **No. 4630**: PH1, PH2
1 set of ballpoint hexagon socket screwdrivers **No. 10767/9**: 9 pieces
1 Water pump pliers **No. 6551 6**: L.240 mm
1 Side cutter, polished **No. 6600 3**: L.160 mm
1 fitter's hammer **No. 10961**: 800 g
1 Flat chisel **No. 102/150**: flat oval
3 pin punches, octagonal **No. 108/150**: 2.5; 4; 6 mm
1 cable knife **No. 12320**
1 telescopic LED torch with magnet **No. 13122**
1 wooden ruler **No. 13111**: 2 m
1 socket spanner bar **No. 12918/10**

Advantages.

The mobile agricultural tool set can be stored behind or to the side of the driver's seat to save space and is therefore always ready to hand.

Everything at a glance: screwdrivers, offset screwdrivers, hammer, chisel, water pump pliers, side cutter, folding ruler, pin punches, magnetic tray, torch and a pocket knife.

The set contains suitable tools for repair and maintenance work on tractors and agricultural machinery.

The extra-long combination spanners in the common spanner sizes of 10, 13, 17, 19, 22, 24 and 27 mm are available in duplicate to enable countering when screwing.

A practical magnetic tray for storing small parts such as screws can be placed on any metal object.

Product highlights.

A solution for every situation.

Our mobile set contains all of the essentials for making small repairs to tractors and other agricultural machinery. It includes a double set of extra-long combination spanners, several screwdrivers and pin punches, a pair of pliers, a hammer, a cutter and much more. This means that you are well equipped for carrying out small bolting or dent repair jobs efficiently in the field.

Extra long combination spanners.

The set includes 7 extra-long combination spanners in the usual spanner sizes of 10, 13, 17, 19, 22, 24 and 27 mm. Thanks to their special design, the combination spanners can be used on hard-to-reach bolted joints on tractors and agricultural machinery, providing optimum leverage for additional power.

Space-saving storage.

The on-board tool set comes in a compact textile tool bag measuring 445 x 110 x 270 mm. This handy size makes easy to stow away the set behind or next to the driver's seat of tractors and machinery. The textile bag also folds open completely, providing quick and easy access to every individual tool.

Additional extension set.

The optional extension set includes a ½" 255 mm QuickRelease fine tooth ratchet, a QuickRelease extension and sockets in sizes of 10, 13, 17, 19, 22, 24 and 27 mm. The set also includes a pair of 300 mm long FastGRIP water pump pliers. The extension set can be conveniently added to the existing on-board tool bag, giving you additional options for repair and maintenance work.

Technologies and features.

Anti-Slip-Drive

The special AS-Drive profile makes high force transmission to the flats of screws and bolts possible without damaging them. This also prevents stripping of the screw head.

2-component handle

Our 2-component handle is non-slip and ergonomically designed. It is resistant to the most common oils, greases, fuels, brake fluids and Skydrol.

Double-T profile

Our combination and ring spanners have an additional recess in the middle of the tool. Similar to the principle of a double T-beam, this provides a tremendous load capacity and maximum strength whilst reducing weight.

Technical Attributes.

Number of tools	38 pcs.
Width mm (b)	110 mm
Filling volume	0,26 l
Height mm (h)	290 mm
Length mm (L)	445 mm
