 1 adjustable single-ended open-jaw spanner No 4025 8 jaw size 30 mm  
 1 pin punch No 108/150 X 6  
 1 pin punch No 108/115 X 2  
 1 strap wrench No 12005 strap L.600 mm

\*The advantages at a glance:

With our Tool Control System, the tools are arranged in chemical-resistant special foam insert with sculpted three-dimensional cut-outs.

The signal colour is yellow. A glance is enough to see whether all tools are in their correct places: If you can see yellow, there is a tool missing.

## Advantages.

With the Tool Control System, the tools fit into chemical-resistant safety foam inserts with high-precision, 3-D cutouts

## Technologies and features.

### Tool Control System

The intelligent modular insert system protects and organises the tools in tool boxes, workshop trolleys and workshop benches. Two-colour foam inlays make checking the completeness of the tools quick and easy.

### QuickRelease

The QuickRelease safety lock prevents unintentional loss of insert tools. These click securely into place, and are only released again at the push of a button for a quick tool change.

## Technical Attributes.

Number of tools	54 pcs.
Width mm (b)	298 mm
Height mm (h)	355 mm
