UMSTECKSCHRAUBENDREHER

Label.

Recessed screwdriver set Model 4798 12

Product highlights.

Outstanding craftsmanship.

The blades are made of exceptionally fine industrial-grade chrome alloy steel, through-hardened and anchored in the grip in such a way that they stay there.

Robust.

Whether slotted or cross-head - the rough blade tips transfer even the greatest torques to the screws - precisely and safely.

Technical Attributes.

Number of tools 12

Logistics data.
