

Combination ratcheting wrench set OPEN RATCH, 5 pcs., flat, metric, in TCS insert

TCS OPEN RATCH 17F/5

Product no. **96830652**
GTIN **4018754327058**
Model **OPEN RATCH TCS 17F/5**

Label.

Combination ratcheting wrench set OPEN RATCH TCS 17F/5 8-19 5

Product highlights.

Set for tight installation spaces.

Our ratcheting combination wrench set contains the most common wrench sizes from 8 to 19 mm and therefore covers a wide range of possible applications. The flat design makes it much easier to screw in confined spaces.

Excellent workmanship.

Our wrenches are made from high-quality forged chrome alloy steel, giving them outstanding robustness and durability, even in continuous and prolonged use. They also have a corrosion-resistant chrome-plated finish.

Non-slip surface.

The STAHLWILLE wrenches have a high-quality surface structure with a good grip, which even allows you to work safely and securely with oily hands. The non-slip property increases handling control.

Order and check.

The set is securely organized in a STAHLWILLE TCS foam inserts. These durable inlays are chemical-resistant and have precise recesses for each tool. The eye-catching yellow underside of the TCS inserts serves as a signal surface to enable quick checking of the set's completeness.

Technologies and features.

Double-T profile

Our combination and ring wrenches have an additional recess in the middle of the tool. Similar to the principle of a double-T beam, this provides a tremendous load capacity and maximum strength whilst reducing weight.

Offset Shaft Design

Our wrenches are specially designed with additional reinforcement in the load zones where the greatest amount of force is transmitted - namely where the jaw meets the shank - in order to prevent deformation.

Tool Control System

The intelligent modular insert system protects and organizes the tools in tool boxes, workshop trolleys and workshop benches. Two-color foam inlays make checking the completeness of the tools quick and easy.

Technical Attributes.

| | |
|-----------------|--------|
| Number of tools | 5 |
| Range | 8-19 |
| Width mm (b) | 175 mm |
| Height mm (h) | 30 mm |
| Length mm (L) | 350 mm |
| Drawer dividers | 1/3 |
