

**Combination ratcheting wrench set
OPEN RATCH, 5 pcs., offset, metric, in
TCS insert**

TCS OPEN RATCH 17/5

Product no. **96830650**
GTIN **4018754328178**
Model **OPEN RATCH TCS 17/5**

Label. Combination ratcheting wrench set OPEN RATCH TCS 17/5 8-19 5

Product highlights.

Field-tested configuration.

Our ratcheting combination wrench set contains the most common wrench sizes from 8 to 19 mm and therefore covers a wide range of possible applications. The jaw opening is inclined by 15°, which means that it lies precisely against the bolts and therefore guarantees optimum power transmission. The integrated fine-tooth ratchet enables screws to be tightened quickly and efficiently without having to remove the wrench.

Excellent workmanship.

Our wrenches are made from high-quality forged chrome alloy steel, giving them outstanding robustness and durability, even in continuous and prolonged use. They also have a corrosion-resistant chrome-plated finish.

Non-slip surface.

The STAHLWILLE wrenches have a high-quality surface structure with a good grip, which even allows you to work safely and securely with oily hands. The non-slip property increases handling control.

Order and check.

The set is securely organized in a STAHLWILLE TCS foam insert. These durable inlays are chemical-resistant and have precise recesses for each tool. The eye-catching yellow underside of the TCS inserts serves as a signal surface to enable quick checking of the set's completeness.

Technologies and features.

Double-T profile

Our combination and ring wrenches have an additional recess in the middle of the tool. Similar to the principle of a double-T beam, this provides a tremendous load capacity and maximum strength whilst reducing weight.

Offset Shaft Design

Our wrenches are specially designed with additional reinforcement in the load zones where the greatest amount of force is transmitted - namely where the jaw meets the shank - in order to prevent deformation.

Tool Control System

The intelligent modular insert system protects and organizes the tools in tool boxes, workshop trolleys and workshop benches. Two-color foam inlays make checking the completeness of the tools quick and easy.

Technical Attributes.

Number of tools	5
Range	8-19
Width mm (b)	175 mm
Height mm (h)	40 mm
Length mm (L)	350 mm
Drawer dividers	1/3

Logistics data.

Depth mm (IFS)	360
Width mm (IFS)	180
Height mm (IFS)	40
Length (packed, mm)	360
Width (packed, mm)	180
Height (packed, mm)	40
Volume (packed, dm ³)	2.592 dm ³
Product no.	96830650
Weight (gross, kg)	0,784
Weight PAP (kg)	0,138
Weight PVC (kg)	0,000
GTIN	4018754328178
Country of origin AWR	GERMANY
Region of origin	Nordrhein-Westfalen
WEEE/ElektroG	nicht ear-pflichtig
Customs tariff no.	82041100
Packing standard	1
Weight	780 g
