#### Label.

Set of interchangeable VDE screwdrivers Model 4798 VDE 14

### Product highlights.

#### Outstanding craftsmanship.

The blades are made of exceptionally fine industrial-grade chrome alloy steel, through-hardened and anchored in the grip in such a way that they stay there.

#### Robust.

Whether slotted or cross-head - the rough blade tips transfer even the greatest torques to the screws - precisely and safely.

#### Versatile.

The lever hole allows even more power and torque if necessary.
