

## Assortment tools with workbench 238 pcs.

**WB 621/238QR**

Product no. **98830204**  
GTIN **4018754352302**  
Model **WB 621/238QR**

### Label.

Assortment tool with workbench Drawers7 anthracite, RAL 7016; black, RAL 9005  
238 pcs.

### Features.

- for service and maintenance work on agricultural, construction and commercial vehicles
- metric dimensions
- extra-long spanners and levers
- spanners with extra-large jaw and ring widths
- in a robust, mobile workbench
- workbench with three-stage safety concept:
  1. central locking via cylinder lock on the side with fold-down key
  2. single locking prevents unintentional opening while driving
  3. tilt protection - simultaneous pulling out of several drawers not possible
    - 7 easily removable drawers with full extension and ball cage guide
    - 2 drawers in generous XXL format, 880 mm
    - lockable cabinet section with height-adjustable intermediate shelf (70 mm grid)
    - cabling through 2 rubberized grommets
    - removable cable duct on the rear
    - oil and acid-resistant wheels (Ø 125 mm) with thread guard to protect the bearings from dirt and threads, with two parking brakes
    - body RAL 7016, drawers RAL 9005 in robust industrial powder coating
    - with Tool Control System (TCS)

## Advantages.

Sturdy, mobile workbench with a 238-piece tool kit for repairs and maintenance work on agricultural, construction and commercial vehicles.

Tailor-made basic equipment or expansion of existing equipment in agricultural operations.

Tools for high power transmission: 1/2" sockets, extra-long spanners, several screwdrivers, etc.

With 7 full-extension drawers and a cabinet with height-adjustable shelf.

2 cable outlets and a cable duct support an organized and safe working environment.

## Product highlights.

PRODUCT IMAGE  
IN PROGRESS

### Customised complete solution.

Our extensive product range contains high-quality tools for repairing and maintaining tractors, commercial, agricultural and construction vehicles. Among other things, it includes ratchets in all drive sizes, sockets up to 36 mm, various screwdrivers, large hammers, a wide range of bit sets, electronic calipers, numerous pairs of pliers, torches, drift punches, magnet lifters and much more. This equipment gives you a solid basis for maintaining engines, gearboxes, hydraulics, bodywork and electronics.

PRODUCT IMAGE  
IN PROGRESSPRODUCT IMAGE  
IN PROGRESS**Large versions.**

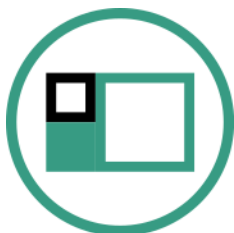

This special range of products contains tools for particularly high force transmission for bolted joints on large components: The extra-long combination spanners provide optimum leverage for additional force. The sockets in sizes of up to 36 mm are ideally suitable for tightening or loosening large screws, nuts and bolts on tractors and agricultural machinery.

**Mobile workstation.**

The 7 full-extension drawers are pre-equipped with STAHLWILLE tools in safety foam inserts. A separate, lockable cabinet section with height-adjustable shelf provides additional storage space. The spacious 115 cm long work surface allows you to examine large components. Organised cable routing increases your safety in the workplace. With a working height of 104 cm and four smooth-running wheels, you have the ideal conditions for ergonomic and mobile working, both in and outside the workshop.

**Technologies and features.****Tool Control System**

The intelligent modular insert system protects and organises the tools in tool boxes, workshop trolleys and workshop benches. Two-colour foam inlays make checking the completeness of the tools quick and easy.

**Inlay Modular System**

This flexible solution for tool storage makes it possible to customise your tool trolley or tool box with 1/6, 1/3, 2/3 or 3/3 foam inserts.

**QuickRelease**

The QuickRelease safety lock prevents unintentional loss of insert tools. These click securely into place and are only released again at the push of a button for a quick tool change.
