

MultiUse tool set 105 pcs.

13215/105

Product no. **98810302**
GTIN **4018754342921**
Model **13215/105 MultiUse**
Werkzeug Set 105 tlg.

Label.

MultiUse tool set 13215/105 L.250mm W.380mm H.520mm 105 pcs.

Features.

A backpack trolley for use on the go, equipped with a comprehensive selection of handheld tools that give the user maximum flexibility when faced with varying work situations.

Key Features of the Backpack Trolley:

- Sturdy tool backpack with reinforced bottom
- Flexible use as a trolley or a backpack
- Large, smooth-running wheels and a practical telescopic handle for convenient transport
- Extendable, padded straps allow the trolley to be used as a backpack
- 2 easily removable tool panels for the most important everyday tools
- Front pockets for documents and accessories
- Padded compartment for a laptop (up to 15")

1 engineer's hammer **No. 10961:** 500 g
1 pipe wrench **No. 6551 6 240:** L.240 mm
1 combination pliers **No. 6501 3 160:** L.160 mm
1 wire cutter, polished **No. 6600 3 160:** L.160 mm

Advantages.

2-in-1: Trolley and backpack in one – for every job, equipped with a wide range of handheld tools.

High-quality 1/4" mini ratchet set with QuickRelease function, continuous for fine-tooth ratchet and extension.

Sturdy bit box with an extensive assortment, quick change holder and bits with all common screw profiles, large bit ratchet with handle.

Heavy-duty forged open-end wrench, gripping and cutting pliers for universal repairs.

Product highlights.

Individual.

The four handle sizes for the screwdrivers are designed specifically to match the drive profiles.

Technologies and features.

QuickRelease

The QuickRelease safety lock prevents unintentional loss of insert tools. These click securely into place and are only released again at the push of a button for a quick tool change.

Foreign Object Damage

STAHLWILLE protects against FOD (Foreign Object Damage). Our tool is ideal for safety-relevant sectors such as aviation, thanks to the screwless design.

Anti-Slip-Drive

The special AS-Drive® profile makes high force transmission to the flats of screws and bolts possible without damaging them. This also prevents stripping of the screw head.

High Performance Quality (HPQ®)

Our HPQ® tool is made of wear-resistant high-performance steel, yet is thin-walled and lightweight. It withstands high torques and is ideal for work in confined spaces such as turbines.

Fine-tooth ratchet mechanism

Our fine-tooth ratchets with 80 teeth re-engage after just 4.5° for maximum precision in confined spaces. Eight pairs of parallel teeth simultaneously ensure maximum load-bearing capacity and particularly smooth running, even at high torques.

Technical Attributes.

Number of tools	105 pcs.
Width mm (b)	380 mm
Height mm (h)	520 mm
Length mm (L)	250 mm
