| Product no. | 81200162 |
| GTIN | 4018754334650 |
| Model | TTS 95/6 R PRO |

Label.

Tool trolley 95/6 PRO 6 Drawer 496 x 827 x 1020 mm red, RAL 3020; black, RAL 9005

Properties.

- **three-stage safety concept:**
 - central locking with a lateral cylinder lock and hinged key
 - individual locks prevent inadvertent opening during transit
 - tilt protection - multiple drawers cannot be pulled out at the same time
- stainless steel with reinforced handle
- all-round collision protection with impact damping
- tightly welded, resilient work and storage surface; end panel made of stainless steel
- oil and acid-resistant wheels (Ø 125 mm) with bearings protected from the ingress of dirt and fibres, and 2 parking brakes
- paper roll holder and spray can holder included
- 6 easily removable drawers, black, full-extension runners with bearing cage guide
- two-sided perforated panel for hooks No. 8031 - 8041, e.g., for larger tools
- can be fitted with STAHLWILLE standard and TCS inlaya

Product highlights.

Takes on anything.

High-quality materials such as the tightly welded stainless steel tray with a scratch-resistant honeycomb structure ensure the durability typical of STAHLWILLE and prevent liquids from penetrating into the interior of the trolley. The work surface of 827 x 496 mm is particularly suitable for working on large components. Thanks to its robust construction, the 95 PRO has a static load capacity of 750 kg. Thanks to reinforcements, the drawers can be loaded with 30 kg and the bottom drawer with up to 45 kg.

Secure down to the last detail.

The drawers are centrally locked using a cylinder lock with a folding key. The single-drawer lock prevents unintentional opening while driving. In addition, only one drawer can always be opened at a time, ensuring reliable tipping protection.

Full configuration as standard.

Whether paper roll and spray can holders, all-round impact protection with shock absorption, perforations on both sides for attaching accessories, locking brakes or oil and acid-resistant smooth-running castors (Ø 125 mm) with thread protection. Our tool trolley comes with many features as standard.

Optimally organized.

All drawers can be pulled out 100%. In combination with the STAHLWILLE standard and TCS inserts or the variable drawer dividers, this ensures optimum overview and convenient tool removal at all times.

Technologies and features.

Tool Control System

The intelligent modular inlay system protects and organises the tools in tool boxes, tool trolleys and workbenches. Two-colour foam inlays make checking the completeness of the tools quick and easy.
