

Telephone pliers

6730

Product no. **67303160**
GTIN **4018754338696**
Model **6730 3 160 A**

Label.

Telephone pliers L.160mm Header polished Handles plastic cover

Properties.

- straight with cutters and burner hole
- for precise gripping of nuts, pins and cotter pins
- flat-round, tapered jaws with serrated gripping surface
- hardened and tempered steel, drop-forged
- cutting edges with additional induction hardening to approx. 64 HRC
- polished head
- plastic coated handles
- DIN ISO 5745

Benefits.

High-quality telephone pliers with cutting edge and burner hole for optimal gripping, holding, cutting and bending.

Additional inductive hardening of the cutting edges (approx. 64 HRC) supports optimum cutting performance during continuous use.

Made from hardened and tempered steel for increased durability and reliable performance, even in continuous use.

The sharp, hardened cutting edges deliver equally precise results with both hard and soft wire.

The non-slip handles with plastic coating and textured surface offer optimal grip during use.

Product highlights.

PRODUCT IMAGE

Outstanding craftsmanship.

The pliers are forged and additionally oil-hardened and chrome-plated. This gives them outstanding stability and resistance under continuous load.
