

Mini water pump pliers

6515

Product no. **65156125**
GTIN **4018754281251**
Model **6515**

Label. Mini water pump pliers L.125mm

- Properties.**
- compact version with slim head shape for use in confined working areas
 - self-clamping on the workpiece, reduces effort and prevents slipping
 - sliding slip joint with double support
 - easy to adjust thanks to locking hole adjustment
 - induction-hardened serration for impressive dimensional stability and durability
 - with built-in protection against crush injuries
 - plastic coated handles
 - Chrome Alloy Steel, forged and oil-hardened
 - DIN ISO 8976

Benefits.

Compact design with slim head allows precise repair and maintenance work, even in hard-to-reach ranges.

Stretched slip joint with double support ensures high load capacity.

For improved ergonomics and safety, the pliers are equipped with a non-slip plastic coating and an integrated anti-jamming protection.

With 4-way quick adjustment for easy adaptation to workpieces with a diameter of up to 25 mm.

The induction-hardened serrated edge ensures a secure hold, minimising abrasion.

Product highlights.

PRODUCT IMAGE

Compact design for confined working areas.

The compact version with a slim head shape allows precise work even in confined areas. Thanks to its narrow design, the water pump pliers are perfect for hard-to-reach places and are also easy to store.

PRODUCT IMAGE
IN PROGRESS

Precise 4-position quick adjustment.

The practical locking hole adjustment allows quick and easy adaptation to different workpiece sizes. The 4-step adjustment is simple and safe, without any additional mechanism.

PRODUCT IMAGE

Particularly durable and resistant.

Made from high-quality Chrome Alloy Steel, forged and oil-hardened, the water pump pliers meet the highest standards of robustness and durability. The inductively hardened jaw serration gives the tool additional hardness and wear resistance.

Every action perfectly executed.

The ergonomically designed handles are coated with a non-slip plastic with a rough surface texture. This makes the pliers comfortable to hold and enables fatigue-free working - even with dirty hands. The integrated clamp protection reliably protects against crush injuries.

High stability.

The sliding slip joint with double support ensures exceptional stability and a particularly long service life, even under high loads. The robust design guarantees reliable performance, even under demanding conditions.

Technical attributes.

Handles	plastic overlay with a textured surface
Header	black lacquered, polished
Length mm (L)	125 mm
Alloy	Chrome Vanadium Steel
Jaw opening max. (mm)	25 mm
Opening width adjustment	4x

Logistics data.
