

Tool trolleys 95 PRO

95/8 PRO

| | |
|-------------|----------------------|
| Product no. | 81200166 |
| GTIN | 4018754334698 |
| Model | 95/8 A PRO |

Label.

Tool trolley 95/8 PRO 8 drawers 496 x 827 x 1020 mm anthracite, RAL 7016; black, RAL 9005

Properties.

- **three-stage safety concept:**
 - central locking with a lateral cylinder lock and hinged key
 - individual locks prevent inadvertent opening during transit
 - tilt protection - multiple drawers cannot be pulled out at the same time
- stainless steel with reinforced handle
- all-round collision protection with impact damping
- tightly welded, resilient work and storage surface; end panel made of stainless steel
- oil and acid-resistant ball-bearing smooth-running wheels (Ø 125 mm) with thread guards to protect the bearings from dirt and threads, with 2 locking brakes
- paper roll holder and spray can holder included
- 8 easily removable drawers, black, full-extension runners with bearing cage guide
- two-sided perforated panel for hooks no. 8031 - 8041, e.g., for larger tools
- can be fitted with STAHLWILLE standard and TCS inlays

Product highlights.

Takes on anything.

High-quality materials such as the tightly welded stainless steel tray provide the durability that is typical of STAHLWILLE, and prevent liquids from penetrating the interior of the trolley. The working area of 827 x 496 mm is particularly suitable for working on large components. Thanks to its robust design, the 95 PRO achieves a static load-bearing capacity of 750 kg. The drawers can be loaded with up to 30 kg thanks to stiffening, and the bottom drawer can even be loaded with up to 45 kg.

Secure down to the last detail.

The drawers are centrally locked using a cylinder lock with a folding key. The single-drawer lock prevents unintentional opening while driving. In addition, only one drawer can always be opened at a time, ensuring reliable tipping protection.

Full configuration as standard.

Whether it is a roll of paper towels or spray can holder, all-round collision protection with impact damping, perforation on both sides for attaching accessories, parking brakes or oil and acid-resistant smooth-running wheels (Ø 125 mm) with thread guard. Our tool trolley comes with many features as standard.

Optimally organised.

All drawers can be extended up to 100 %. Combining the use of STAHLWILLE standard and TCS inlays, or the variable drawer dividers, ensures a clear overview and convenient access to tools.

Technologies and features.

Tool Control System

The intelligent modular inlay system protects and organises the tools in tool boxes, tool trolleys and workbenches. Two-colour foam inlays make checking the completeness of the tools quick and easy.
