

Tool trolley 93/6 A + TOP BOX + work spotlight

93/6

Product no. **98830196**
GTIN **4018754343324**
Model **93 Trolley + Box**

Label.

Tool trolley 93/6 A + TOP BOX + work lamp 93/6 10 drawers 481 x 877 x 1463 mm
TTS 93/6 anthracite, RAL 7016, 93 TOP BOX black, RAL 9005

Properties.

Top feature tool trolley

- **two-stage safety concept:**

1. central locking through cylinder lock with hinged key
 2. tilt protection – makes it impossible to pull out several drawers at the same time
- 2 handles
 - all-round ram protection
 - durable plastic tray made of ABS with compartments for small parts
 - oil- and acid-resistant smooth-running wheels (D.125 mm) with thread guards to protect the bearings from dirt and threads, with two locking brakes
 - hole pattern on both sides for hooks no. 8031-8041, e.g., for larger tools
 - can be fitted with STAHLWILLE standard and TCS inserts
 - 6 easily removable drawers (black, RAL 9005) with full extension (370 mm) and ball bearing cage guide
 - with paper roll holder

Top feature TOP BOX

- **two-stage safety concept:**

1. central locking through cylinder lock with hinged key
 2. tilt protection – makes it impossible to pull out several drawers at the same time
- powder coated body and drawers (black, RAL 9005)
 - 4 easily removable drawers with full extension (370 mm) and ball bearing cage guide
 - durable plastic tray made of ABS with compartments for small parts
 - hole pattern on both sides for hooks no. 8031-8041, e.g., for larger tools
 - can be fitted with STAHLWILLE standard and TCS inserts

TOP feature spotlight

- Integrated battery
- Adjustable light angle
- Sturdy plastic case
- Brightness: 2800 lm

Product highlights.

Takes on anything.

High-quality materials such as the tightly welded stainless steel tray provide the durability that is typical of STAHLWILLE, and prevent liquids from penetrating the interior of the trolley. The working area of 877 x 481 mm is particularly suitable for working on large components. Thanks to its robust design, the TTS 93 achieves a static load-bearing capacity of 500 kg. The drawers can be loaded with up to 30 kg thanks to stiffening, and the bottom drawer can even be loaded with up to 45 kg.

Maximum security.

The central locking system with side cylinder lock and folding key protects the tool from unauthorised access. The tilt protection prevents multiple drawers from being pulled out at the same time to avoid the risk of injury or damage.

Order made easy.

The integrated compartments for small items not only provide a tidy and well-organised surface but also enhance functionality, creating an orderly environment where everything stays within easy reach.

Full configuration as standard.

Whether it is a roll of paper towels or spray can holder, all-round collision protection with impact damping, perforation on both sides for attaching accessories, parking brakes or oil and acid-resistant smooth-running wheels (Ø 125 mm) with thread guard. Our tool trolley comes with many features as standard.

Optimally organised.

All drawers can be extended up to 100 %. Combining the use of STAHLWILLE standard and TCS inlays, or the variable drawer dividers, ensures a clear overview and convenient access to tools.

Technologies and features.

Tool Control System

The intelligent modular inlay system protects and organises the tools in tool boxes, tool trolleys and workbenches. Two-colour foam inlays make checking the completeness of the tools quick and easy.
