

## Tool trolley

**13217**

Product no. **96894809**  
GTIN **4018754254125**  
Model **13217 TS RF**

### Label.

Tool trolley jet black (with reflecting film)

### Properties.

- robust and durable tool trolley made from polypropylene for professional use
- 5 easily removable lockable drawers with transparent covers, end-stops for the rails, and in 3 different drawer heights
- drawers can be inserted in any order
- with 1 top cover and 1 removable front cover
- the top lid is lined with dimpled foam to hold the tools securely in place
- 1 removable tray with 2 handles and 2 transparent drawer lids under the top tray
- drawers can be used as a separate toolbox thanks to the transparent lids
- custom label options for the case and the drawers
- 2 smooth-running double castors at the rear
- for upright transport on 4 wheels; can be fitted with wheel set R 13217 (please order separately)
- extendable telescopic handle for easy transport
- 2 side handles
- resistant to skydrol, acetone, petrol and hydraulic oils
- load capacity: 60 kg
- lockable in 3 places with a padlock
- lockable with the integrated lock, 2 keys included (excluding IP67 version)
- also available in IP67 (6 drawers, 4 x 30 mm, 2 x 60 mm).
- additional fasteners and seals protect against water and dust
- with valve for pressure compensation (IP67 version only)
- also available with all-round reflective decals (5 drawers, 2 x 30 mm, 3 x 60 mm), for increased safety when working in dark environments
- individual case configurations on request

### Benefits.

STAHLWILLE tool trolley 13217 TS RF, jet black (with reflecting film), side handles, 2 transparent drawer lids, 96894809.

Can be used anywhere for professional assembly on site - ideally suited for mechanics, machine setters, breakdown workers, fitters, and technicians.

The drawers with handles and a pull-out stop are individually removable and can be used as a separate toolbox with a transparent lid. These can be inserted in any order.
