## Benefits.

Robust STAHLWILLE tool trolley with 6 drawers and central locking incl. 130-piece tool assortment, 98830177.

The tool trolley convinces with numerous features: Two steering handles, smooth-running wheels with thread protection and drawers with system – central locking, full extension, pull-out stop and anti-tilt protection.

Contains 1/4" and 1/2" socket spanners (5-32 mm), ratchets + extensions, bit ratchet and bits, combination spanners, screwdrivers, various pliers and other tools.

Tool Control System (TCS): All tools are clearly arranged in TCS mats. Here, the green immediately catches the eye as soon as a tool is missing.

## Product highlights.

### Takes on anything.

High-quality materials such as the tightly welded stainless steel tray provide the durability that is typical of STAHLWILLE, and prevent liquids from penetrating the interior of the trolley. The working area of 877 x 481 mm is particularly suitable for working on large components. Thanks to its robust design, the TTS 93 achieves a static load-bearing capacity of 500 kg. The drawers can be loaded with up to 30 kg thanks to stiffening, and the bottom drawer can even be loaded with up to 45 kg.

### Full configuration as standard.

Whether it is a roll of paper towels or spray can holder, all-round collision protection with impact damping, perforation on both sides for attaching accessories, parking brakes or oil and acid-resistant smooth-running wheels (Ø 125 mm) with thread guard. Our tool trolley comes with many features as standard.

## Technologies and features.

### Modular Inlay System

This flexible solution for tool storage makes it possible to customise your tool trolley or tool box with 1/6, 1/3, 2/3 or 3/3 foam inserts.

### Tool Control System

The intelligent modular inlay system protects and organises the tools in tool boxes, tool trolleys and workbenches. Two-colour foam inlays make checking the completeness of the tools quick and easy.
