

PH cross-head screwdrivers 3K DRALL®

4830

Product no. 48301002
GTIN 4018754123100
Model 4830 2

Label.

PH cross-head screwdriver 3K DRALL® Size PH2 L.100mm

Properties.

- for PHILLIPS® screws
- black tip
- 3-component handle with non-slip fibre coating and hanging hole
- Chrome Alloy Steel, matt chrome-plated
- DIN 5262 / ISO 8764

Product highlights.

Outstanding craftsmanship.

The blades are made of exceptionally fine industrial-grade chrome alloy steel, through-hardened and anchored in the grip in such a way that they stay there.

Robust.

Whether slotted or cross-head - the rough blade tips transfer even the greatest torques to the screws - precisely and safely.

Versatile.

The lever hole allows even more power and torque if necessary.

Technologies and features.

3-component handle

Our 3-component handle combines hard, soft and special fibre-coated components, which give it its optimised ergonomics, maximum power transmission, and increased safety during daily use.
