A shining helper.

With 130 lumens, our penlight provides enough brightness to optimally illuminate even small and hard-to-reach areas in vehicles or workshops, where conventional torches are often too large. Up to 4 hours of light guarantee reliable illumination for every insert.

Compact and always with you.

With a length of just 14 cm, the light fits comfortably in any bag or toolbox. Its slim design makes it the ideal companion in the workshop or on the road.

Delivers what it promises.

The high-quality aircraft aluminium makes the torch particularly resistant to impacts and scratches. With IP54 protection, it is optimally protected against dust and splash water in harsh workshop environments.

Always at hand.

Thanks to the removable retaining clip, the penlight can be easily attached to a shirt, trousers, or tool bag. This means it is always quickly to hand whenever it is needed.
