Benefits.

Robust STAHLWILLE tool trolley with 6 drawers and central locking incl. 130-piece tool assortment, 98830177.

The tool trolley convinces with numerous features: Two steering handles, smooth-running wheels with thread protection and drawers with system - central locking, full extension, pull-out stop and anti-tilt protection.

Contains 1/4" and 1/2" socket spanners (5-32 mm), ratchets + extensions, bit ratchet and bits, combination spanners, screwdrivers, various pliers and other tools.

Tool Control System (TCS): All tools are clearly arranged in TCS mats. Here, the green immediately catches the eye as soon as a tool is missing.

Product highlights.

Takes on anything.

High-quality materials such as the tightly welded stainless steel tray ensure the durability typical of STAHLWILLE and prevent liquids from penetrating the interior of the trolley. The 877 x 481 mm work surface is particularly suitable for working on large components. Thanks to its robust construction, the TTS 93 achieves a static load capacity of 500 kg. The drawers can be loaded with 30 kg thanks to reinforcements, and the bottom drawer can even be loaded with 45 kg.

Full configuration as standard.

Whether paper roll and spray can holders, all-round impact protection with shock absorption, perforations on both sides for attaching accessories, locking brakes or oil and acid-resistant smooth-running castors (Ø 125 mm) with thread protection. Our tool trolley has many features - as standard.

Technologies and features.

Modular Inlay System

This flexible solution for tool storage makes it possible to customise your tool trolley or tool box with 1/6, 1/3, 2/3 or 3/3 foam inserts.

Tool Control System

The intelligent modular inlay system protects and organises the tools in tool boxes, tool trolleys and workbenches. Two-colour foam inlays make checking the completeness of the tools quick and easy.
