

Pipe wrenches PowerGRIP

6573

Product no. **65735250**
GTIN **4018754206810**
Model **6573 Zangenschlüssel
PowerGRIP 250mm**

Label. Pipe wrench PowerGRIP Jaw w.46mm L.250mm Head chrome-plated

- Properties.**
- smooth jaws to protect sensitive surfaces
 - secure grip when screwing, holding and bending
 - quick adjustment of the pipe wrench at the push of a button
 - for workpieces with parallel surfaces (nuts, screws, etc.)
 - variable and smooth fine adjustment
 - high transmission ratio for noticeable manual force amplification
 - with built-in protection against crush injuries
 - high-quality, hardened and tempered for excellent wear resistance
 - plastic coated handles

Benefits.

Sturdy pipe wrenches for gripping, holding, pressing and bending workpieces with flat surfaces (thin sheet metal, nuts, screws, etc.).

Use of the jaw stroke enables a "ratchet effect" for additional bolting function.

The pliers feature a non-slip plastic coating and built-in crush protection for improved ergonomics and safety.

Gentle bolting of sensitive fittings up to 36 mm thanks to smooth, parallel jaws without serration.

Infinitely variable and smooth-running quick adjustment at the push of a button on the tool.

Product highlights.

PRODUCT IMAGE

Every action perfectly executed.

For precise work and powerful gripping - STAHLWILLE pliers with non-slip handle. The comfortable handles with rough surface structure allow safe, low-fatigue work, even with smeared hands.

PRODUCT IMAGE
IN PROGRESS

Practical ratchet effect.

The pipe wrench has a multifunctional design due to the special jaw stroke of the gripping jaws and thus also has a ratchet function.

PRODUCT IMAGE

Precise fine adjustment.

Adaptation to the workpiece is achieved by precise, multi-stage quick adjustment of the pivot pin. Quick adjustment via push button makes the pipe wrench comfortable and flexible to use.

Gentle application.

The full-surface and profile-free parallel jaws of this pipe wrench enable safe and gentle gripping of workpieces, such as sensitive fittings up to a diameter of 36 mm.

Technical attributes.

Handles	plastic overlay with a textured surface
Head	chrome-plated
Length mm (L)	250 mm
max. jaw opening (mm)	46 mm
Opening width adjustment	14x
