

Assortment tools with workbench, 161 pcs.

WB 621/161QR

Product no. **98830194**
GTIN **4018754343355**
Model **WB 621/161QR**

Label.

Tool assortment with workbench drawers 7 + 1 Fach anthracite, RAL 7016 161 pcs.

Properties.

- For service and maintenance work on industrial equipment.
- metric dimensions
- in a robust, mobile workbench
- Workbench with three-stage safety concept:
 1. Central locking via cylinder lock on the side with fold-down key
 2. Single locking prevents unintentional opening while driving
 3. Tilt protection - simultaneous removal of several drawers not possible
- 7 easily removable drawers with full-extension runners and ball cage guides
- 2 drawers in generous XXL format, 880 mm
- lockable cabinet section with height-adjustable intermediate shelf (70 mm grid)
- cabling through 2 rubberized grommets
- removable cable duct on the rear
- oil and acid-resistant wheels (Ø 125 mm) with thread guard to protect the bearings from dirt and threads, with two parking brakes
- body RAL 7016, drawers RAL 9005 in robust industrial powder coating
- with Tool Control System (TCS)

Contents, 161 parts:

1 workbench, anthracite **No. WB621**: 7 drawers and cupboard compartment

1 locksmith's hammer **No. 10961**: 500 g

1 soft-face mallet **No. 10959**: D. 35 mm

1 flat chisel **No. 102**: L. 175 mm

1 pin punch **No. 108**: 150 x 6 mm

1 center punch, octagonal **No. 105**: 100 x 10 mm

1 pin punch **No. 109**: D. 3.4 mm

1 punch, octagonal **No. 104**: 120 x 4 mm

96830273 TCS 10 821/4

4 circlip pliers **No. 6546-6546**: J2; J21; A2; A21

Benefits.

Robust, mobile workbench with 161-piece assortment tool for maintenance work in industry.

Tools for high force transmissions: 1/2" sockets, locking pliers, various screwdrivers, etc.

2 cable outlets and a cable duct support an organized and safe working environment.

Tailor-made basic equipment or expansion of existing equipment in companies and workshops

With 7 full-extension drawers and a cabinet with height-adjustable shelf.

Product highlights.

PRODUCT IMAGE

Complete solution for industry.

Our extensive range includes high-quality tools for a wide range of applications, such as vehicle maintenance, general repairs or assembly and disassembly work. It includes spanners with various sizes, sockets up to 32 mm, a large bit set, a wide selection of pliers and much more. With this equipment, you get a broad foundation for a wide range of applications in the automotive, electrical and mechanical engineering industries.

Mobile workstation.

The 7 full-extension drawers are pre-equipped with STAHLWILLE tools in safety foam inserts. A separate, lockable cabinet section with height-adjustable shelf provides additional storage space. The spacious 115 cm long work surface allows you to examine large components. Organised cable routing increases your safety in the workplace. With a working height of 104 cm and four smooth-running wheels, you have the ideal conditions for ergonomic and mobile working, both in and outside the workshop.

Secure down to the last detail.

The central lock with countersunk, side-mounted cylinder lock, together with the foldable key, protects against injury and damage. The individual locking mechanism prevents unintentional opening during transit - the anti-tilt protection makes it impossible to pull out multiple drawers simultaneously.

PRODUCT IMAGE

Smart cable management.

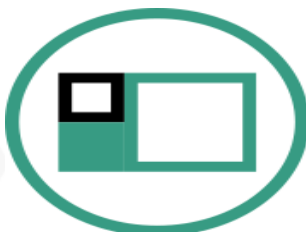

A detachable cable duct helps to neatly route and organise cables for electrical devices. This reduces the risk of tripping over or damaging the cable, thus increasing safety in the workplace. 2 cable outlets on the back also facilitate the power supply, e.g., when charging stowed battery-powered devices.

Technologies and features.

Tool Control System

The intelligent modular inlay system protects and organises the tools in tool boxes, tool trolleys and workbenches. Two-colour foam inlays make checking the completeness of the tools quick and easy.

Modular Inlay System

This flexible solution for tool storage makes it possible to customise your tool trolley or tool box with 1/6, 1/3, 2/3 or 3/3 foam inserts.

**QuickRelease**

The QuickRelease safety lock prevents unintentional loss of insert tools. These click securely into place, and are only released again at the push of a button for a quick tool change.

Technical attributes.

Number of drawers	7 + 1 Fach
Number of tools	161 pcs.
Width mm (b)	1150 mm
Colour	anthracite, RAL 7016
