

## Clés Crowring, métrique

**440**

Réf. n° **03190030**  
GTIN **4018754102167**  
Modèle **440 30**

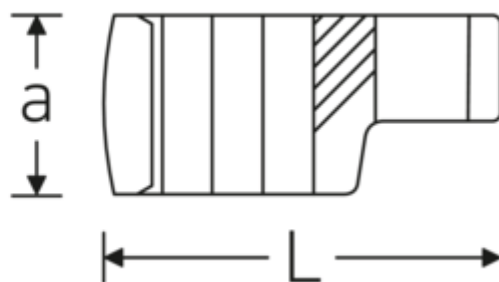

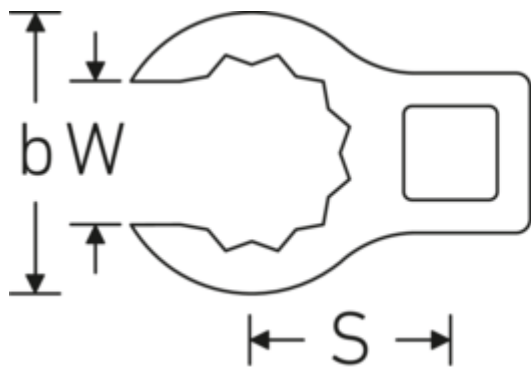

### Désignation.

1/2 " Clé Crowring Taille 30mm Lg.63mm

### Propriétés.

- Chrome-Alloy-Steel, chromées
- Attention! Modification des valeurs de réglage de la clé dynamométrique en fonction des variations de la cote "S" <!-- (voir remarque page [170524]) -->

## Dessin technique.

## Attributs techniques.

|                                         |         |
|-----------------------------------------|---------|
| a                                       | 22,5 mm |
| Carré d'entraînement intérieur (pouces) | 1/2 "   |
| Largeur mm (b)                          | 48 mm   |
| Longueur mm (L)                         | 63 mm   |
| S                                       | 32,5 mm |
| Ouverture [mm]                          | 30 mm   |

## Données logistiques.
