

Pull hook for rubber exhaust mountings

12763

Product no. **74200002**
GTIN **4018754279593**
Model **12763**

Label.

Pull hook f.rubber exhaust mountings

Properties.

- for pulling the rubber eyelets on the exhaust mountings on all cars
- with T-handle, black plastic coated
- chrome-plated

Benefits.

High-quality tow hook for mounting and removing exhaust rubbers.

Ensures gentle removal and installation of rubber mounts without damaging other parts of the exhaust system.

Robust hook with high hardness remains dimensionally stable even in demanding applications.

Ergonomically shaped, coated T-handle allows safe handling.

Made from robust tool steel for increased durability and reliable performance, even in continuous use.

Product highlights.

Gentle installation.

The STAHLWILLE exhaust hook is an indispensable tool for the automotive workshop. Its special hook device with angled end ensures that the rubber parts do not slip out during installation. This allows exhaust rubber parts to be installed or removed safely and without damaging surrounding parts.

Optimal power transmission.

The pull hook is equipped with a T-handle. This special shape ensures even power transmission and optimal use of muscle power during work. Thanks to its ergonomic design, the T-handle fits comfortably in the hand and reduces fatigue even during prolonged use.
