Outstanding.

STAHLWILLE on it, STAHLWILLE in it: Quality "Made in Germany", robust and durable. Made of high-quality steel with a special matt finish!

Careful.

Thanks to the optimally legible scale and integrated fine scale as well as the clearly tangible, haptic feedback of a precise mechanical triggering.

Balanced.

Beautiful design with new, ergonomically optimised handle – for low-fatigue work.

Relaxed.

Adjustment of the target torque via an easily accessible rotary knob at the end of the handle. With 10 N-m per revolution (Model 750NR/200), this torque wrench is the fastest in its class!

HERE AND NOW – Totally relaxed. From anywhere.
