1 Pin punch **No. 109/6**: 3.4 mm  
1 Piercing punch, octagonal **No. 104/120**: 120 mm  
1 Circlip pliers, polished **No. 6543**: J2  
1 Circlip pliers, polished **No. 6544**: J21  
1 Circlip pliers, polished **No. 6545**: A2  
1 Circlip pliers, polished **No. 6546**: A21

## Benefits.

7 easy-to-remove full-extension drawers with a ball cage guide for smooth running.

The tool assortment contains 161 parts for different applications and tasks.

The robust oil- and acid-resistant wheels allow flexible use of the workbench at different work locations.

Extra large work surface 1150 x 500 x 30 mm with robust birch wood multiplex (FSC certification).

The three-stage safety concept ensures protection for tools and accessories.

## Product highlights.

### Complete solution for industry.

Our extensive range includes high-quality tools for a wide range of applications, such as vehicle maintenance, general repairs or assembly and disassembly work. It includes spanners with various sizes, sockets up to 32 mm, a large bit set, a wide selection of pliers and much more. With this equipment, you get a broad foundation for a wide range of applications in the automotive, electrical and mechanical engineering industries.

### Mobile workstation.

The 7 full-extension drawers are pre-equipped with STAHLWILLE tools in safety foam inlays. The spacious 115 cm long work surface allows you to examine large components. With a working height of 104 cm and four smooth-running wheels, you have the ideal conditions for ergonomic and mobile working, both in and outside the workshop.

### Secure down to the last detail.

The central lock with countersunk, side-mounted cylinder lock, together with the foldable key, protects against injury and damage. The individual locking mechanism prevents unintentional opening during transit - the anti-tilt protection makes it impossible to pull out multiple drawers simultaneously.

## Technologies and features.

### Modular Inlay System

This flexible solution for tool storage makes it possible to customise your tool trolleys and workbenches with 1/6, 1/3, 2/3 or 3/3 foam inserts.

### Tool Control System

The intelligent modular inlay system protects and organises the tools in tool boxes, tool trolleys and workbenches. Two-colour foam inlays make checking the completeness of the tools quick and easy.

### QuickRelease

The QuickRelease safety lock prevents unintentional loss of insert tools. These click securely into place, and are only released again at the push of a button for a quick tool change.

## Technical attributes.

Number of drawers	7
Number of tools	161 pcs.
Width mm (b)	1150 mm
Colour	anthracite, RAL 7016
Height mm (h)	1045 mm
Length mm (L)	500 mm

## Logistics data.
