Label.

Set of wheels for 13217

Properties.

- 4 swivel castors, 2 of which have locking brakes

Benefits.

4 swivelling and movable smooth-running castors for use with the tool trolley 13217.

The hard-wearing rubber rollers are oil, acid, wear and rust resistant.

The low-noise wheels dampen shocks and vibrations, are gentle on the floor and leave no marks.

2 of these are equipped with locking brakes to reliably prevent accidental rolling away.

The thread guard prevents threads from wrapping around the axis and interfering with movement.
