

## Tool trolley

### 13217 TS K

Product no.	<b>81091335</b>
GTIN	<b>4018754347551</b>
Model	<b>13217 TS K</b>

**Label.** Tool trolley 13217 TS K deep black

#### Properties.

- without drawers
- robust and resilient polypropylene tool trolley for professional use
- with one top cover and one front cover that is removable
- the top cover is lined with dimpled foam to securely hold the tools in place
- 1 removable tray with 2 handles and 2 transparent drawer lids under the top cover
- individual labelling options for the case
- 2 smooth-running double castors on the telescopic handle side
- can be converted for upright transport on 4 wheels with wheel set R 13217 (please order separately)
- extendable telescopic handle for easy transport
- 2 side carrying handles
- resistant to skydrol, acetone, petrol and hydraulic oils
- load capacity: 60 kg
- can be locked in 3 positions with a padlock

#### Benefits.

Our tool trolley made of sturdy polypropylene can be freely equipped and is designed for up to 60 kg.

Triple lockable with a padlock for optimal protection and security of the tools.

Models from 2025 onwards offer additional storage space thanks to a lid with rail guide and the patented LOCK-UNLOCK system for the 13261 and 13262 top cases.

Reliable use in the workshop or on site - optimal for mechanics, machine setters, fitters and technicians.

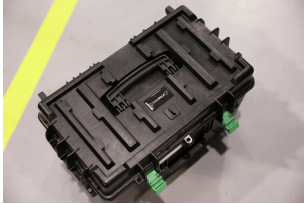

The trolley is resistant to skydrol, acetone, petrol and hydraulic oils.

## Product highlights.

### Reliable and always at hand.

Whether in the workshop, on assembly or between aisles in the industrial hall - our toll trolley goes wherever you go. With a sturdy telescopic handle, 2 side carrying handles and smooth-running castors, it can be moved effortlessly - and reliably carries up to 60 kg.

### Made for the toughest jobs.

Whether oil, chemicals or dirt - our case remains steadfast. It is resistant to Skydrol, acetone, petrol and hydraulic oils. With water- and dust-protected closures, it is also ideally equipped for harsh industrial applications.

### More storage space, cleverly combined.

From model year 2025 onwards, there will be even more space: thanks to the new lid rail guide and the practical LOCK-UNLOCK system, matching top cases such as 13261 TS and 13262 TS can be easily attached and securely connected. A simple flick of the lever is all it takes to get the module ready for use. And best of all, older models can also be easily retrofitted with the appropriate lid. Everything in a modular system - for maximum organisation and flexibility.
