

Counter display torch lights

13132

Product no. **96774900**
GTIN **4018754343119**
Model **13132 TD**

Label. Counter display torch lights 13132

Properties.

- compact stand with simple plug-in system
- Top features of the torch**
- handy, compact lighting
 - high-performance reflector system with up to 130 lm
 - light range: 75 m
 - light duration: up to 4 hours
 - robust housing made of aircraft aluminium
 - with retaining clip for attachment to straps and bags
 - protection class IP 54
 - includes 2 AAA 1.5 V batteries
 - dimensions: 138.6 x 15 x 15 mm
- Contains 16 pieces:**
16 torches **No. 13132**: 130 lm

Benefits.

Eye-catching counter display with 16 torch lights for professional product presentation.

The powerful 130 lumens and a light range of 75 m ensure precise and even illumination of dark work areas.

The housing made of durable aircraft aluminium offers reliable protection against dust and splash water thanks to protection class IP54.

Lightweight and compact stand for use in shops, at exhibitions, trade fairs, etc.

Slim, small work lights in pen format for convenient transport.

Product highlights.

Optimal lighting.

The modern counter display puts the 16-piece torch set in the spotlight – ideal for spontaneous purchases at the checkout or as a presentation area at events. Robust, practical and usable as packaging, it is easy to transport and can be set up in seconds.

A shining helper.

With 130 lumens, our penlight provides enough brightness to optimally illuminate even small and hard-to-reach areas in vehicles or workshops, where conventional torches are often too large. Up to 4 hours of light guarantee reliable illumination for every application.

Compact and always with you.

With a length of just 14 cm, the lighting fits comfortably in any bag or toolbox. Its slim design makes it the ideal companion in the workshop or on the road.

Delivers what it promises.

The high-quality aircraft aluminium makes the torch particularly resistant to impacts and scratches. With IP54 protection, it is optimally protected against dust and splash water in harsh workshop environments.

Always at hand.

Thanks to its removable retaining clip, the hand lamp can easily be attached to a shirt, trousers, or tool bag. This means it is always close at hand whenever it is needed.
