

Agrar on-board tool set, 38-pieces

13253/38

Product no. **97830217**
GTIN **4018754337101**
Model **13253/38**

Label.

Agrar on-board tool set 13253/38 445x110x290mm 38 pcs.

Properties.

- tool set especially for the agricultural industry
- extra long combination spanners for better leverage; particularly effective for loosening tight screws
- available separately, supplementary set 96830278
- perfect size for storing away behind the driver's seat in tractors
- in a fold-out fabric case

Contains 38-pieces:

- 7 combination spanners **No. 14**: 10; 13; 17; 19; 22; 24; 27 mm (2 each)
- 1 slotted screwdriver **No. 4622**: 2.5 x 14.0 x 250 mm
- 1 slotted screwdriver **No. 4620**: 1.2 x 6.5 x 150 mm
- 2 PH cross-head screwdrivers **No. 4630**: PH1, PH2
- 1 ball-ended L-Key set hex **No. 10767/9**: 1.5; 2; 2.5; 3; 4; 5; 6; 8; 10 mm
- 1 water pump pliers **No. 6551**: L. 240 mm
- 1 heavy-duty side cutters **No. 6721**: L. 180 mm
- 1 engineer's hammer **No. 10961**: 800 g
- 1 flat chisel **No. 102**: W. 18; L. 150 mm
- 3 pin punches **No. 108**: Ø 2.5; 4; 6 mm
- 1 cable knife **No. 12320**: L. 111 mm
- 1 telescopic torch with magnet **No. 13122** L. 170-550 mm
- 1 magnetic tray **No. 650 MS**: Ø 108 mm
- 1 wooden folding ruler **No. 13112**: L. 2 m
- 1 socket clip rail, without sockets **No. 12918/10**: for 1/2" sockets (for 10-pieces)

Benefits.

The mobile agricultural tool set can be stored behind or to the side of the driver's seat to save space and is therefore always close at hand.

Everything at a glance: Screwdrivers, hex L-Key, hammer, chisel, pipe spanner, side cutter, folding ruler, pin punches, magnetic tray, torch and a pocket knife.

The set contains suitable tools for repair and maintenance work on tractors and agricultural machinery.

Extra long combination spanners of the common spanner sizes (10, 13, 17, 19, 22, 24 and 27mm) are doubled up to enable countering when working.

A practical magnetic tray for storing small items such as screws can be placed on any metal object.

Product highlights.

A solution for every situation.

Our mobile set contains all of the essentials for making small repairs to tractors and other agricultural machinery. It includes a double set of extra-long combination spanners, several screwdrivers and pin punches, a pair of pliers, a hammer, a cutter and much more. This means that you are well equipped for carrying out small bolting or dent repair jobs efficiently in the field.

Extra long combination spanners.

The set includes 7 extra-long combination spanners in the usual spanner sizes of 10, 13, 17, 19, 22, 24 and 27 mm. Thanks to their special design, the combination spanners can be used on hard-to-reach bolted joints on tractors and agricultural machinery, providing optimum leverage for additional power.

Space-saving storage.

The on-board tool set comes in a compact textile tool bag measuring 445 x 110 x 270 mm. This handy size makes easy to stow away the set behind or next to the driver's seat of tractors and machinery. The textile bag also folds open completely, providing quick and easy access to every individual tool.

Additional extension set.

The optional extension set includes a ½" 255 mm QuickRelease fine tooth ratchet, a QuickRelease extension and sockets in sizes of 10, 13, 17, 19, 22, 24 and 27 mm. The set also includes a pair of 300 mm long FastGRIP water pump pliers. The extension set can be conveniently added to the existing on-board tool bag, giving you additional options for repair and maintenance work.

Technologies and features.

Anti-Slip-Drive

The special AS-Drive profile makes high force transmission to the flats of bolts and nuts possible without damaging them. This also prevents stripping of the screw head.

2-component handle

Our 2-component handle is non-slip and ergonomically designed. It is resistant to the most common oils, greases, fuels, brake fluids, and Skydrol.

Double-T profile

Our ring, open-ended and combination spanners have an additional recess in the middle of the tool. Similar to the principle of a double-T beam, this provides a tremendous load capacity and maximum strength whilst reducing weight.

Technical attributes.

Length mm (L)	445 mm
Width mm (b)	110 mm
Height mm (h)	290 mm
Filling volume	0,26 l
Number of tools	38 pcs.
