

Glass scraper

10356

Product no. **74270005**
GTIN **4018754085354**
Model **10356**

Label. Glass scraper L.165mm W.40mm

Properties.

- for removing residues of adhesive and stickers from glass
- with a 0.3 mm thick interchangeable blade, and a protective cap

Benefits.

Suitable for removing adhesive residue, stickers and labels from ceramic hobs, glass surfaces, windows, mirrors and more.

The extra hardened, double-ground blade removes even stubborn residues without damaging sensitive surfaces.

The non-slip, stable handle fits comfortably in the hand and enables controlled work and precise guidance.

Also ideal for thoroughly and gently scraping old stickers off car windows.

The protective cap ensures safe storage.

Product highlights.

Change blades in seconds.

Our glass scraper allows you to change blades quickly without any additional tools. Simply slide the blunt blade out sideways and replace it with a new one. The mechanism ensures that the spare blade sits securely and that the scraper is ready for immediate use.

Protection when stored.

The scraper can be stored safely and carried anywhere: a rubberised protective cap securely covers the sharp blade after use. This reliably prevents injuries and damage.

Secure grip, clever storage.

The ergonomically shaped handle fits securely and comfortably in the hand, even when applying strong pressure. It is equally suitable for right- and left-handed users and ensures full control with every movement. The integrated hanging hole allows the scraper to be stored in a space-saving manner and is always ready to hand.
